

Emerging Markets Consulting (EMC) is currently seeking Cambodian candidates to join our team as a **Business Analyst** in the Cambodia office. This position is **full-time** and offers **significant growth opportunities**; a large proportion of EMC analysts receive scholarships for postgraduate studies at top universities overseas.

EMC is a strategic management and development consulting firm that brings international best practices to the private and development sectors in Southeast Asia by offering our clients an unparalleled combination of international expertise and extensive local knowledge.

Business Analyst – International Business

The International Business practice undertakes a diverse range of consulting projects, encompassing economic, business, and market research, as well as industry and financial analysis. Our clients are typically international corporates and development partners, seeking strategic advice to support major investments.

- Support a project manager and team on all aspects of a consulting project.
- Conduct both primary and secondary research and analysis independently.
- Develop and synthesize relevant conclusions and recommendations for our clients.
- Contribute to client deliverables – typically written reports, presentations, and data models.
- Work across a diverse range of industries.
- Work primarily in English language, with international clients and a multinational team.
- Typically work on 2-3 projects simultaneously; multitasking and quick learning are essential.

Business Analyst – SME Advisory

The SME Advisory practice provides strategic advice to Cambodian SME, to realize their growth and investment objectives.

- Support consultant to produce project deliverables such as business plan, strategic plan, financial model, investment memorandum, etc.
- Collect primary and secondary data to support business analysis.
- Prepare a detailed analysis plan and execute the plan accordingly.
- Diagnosis of the client's problems, opportunities, and suggest solutions for the client.
- Provide inputs for recommendations based on sound and scientific analysis that help the decision-making.
- Conduct financial forecasting, budgeting and financial analysis combined with the understanding of key performance indicators.
- Strong understanding of regulatory and reporting requirements.
- Connect with financial institutions such as banks, MFIs, insurance, and other players to successfully deliver clients projects.
- Strong understanding of regulatory and reporting requirements.
- Demonstrate initiative and willingness to learn and adapt quickly to new clients' requirements and subject areas.

Qualifications & Experience Required

Prior professional work experience is desirable, but **not** a prerequisite.

- Excellent academic track record of undergraduate study or higher - ideally in a business, economics or finance related field.
- Solid understanding of Cambodia's economic and business environment.
- High level of proficiency with Microsoft Office applications at a minimum.
- Excellent spoken and written English and Khmer.

Personal Qualifications

A range of experiences, via academic and extracurricular activities that indicate the following;

- Strong communication and interpersonal skills with diverse groups.
- Detail oriented, analytical and inquisitive mind-set.
- Willingness to take the initiative, learn new skills, and adapt.
- Ability to work independently as well as in teams.

Applications

EMC is committed to diversity and inclusion within its workforce and encourages-qualified female and male candidates from all religious and ethnic backgrounds, including persons with living with disabilities to apply.

If you are interested in pursuing a career with international growth opportunities, please submit a current curriculum vitae and cover letter to recruiting@emc-consulting.asia, with "**Business Analyst – International Business**" or "**Business Analyst – SME Advisory** " in the subject line. Only shortlisted candidates will be contacted. For further information, please visit our [EMC Facebook feed](#) ; [EMC LinkedIn](#) and [visit our website](#).
